PARKING STICKERS/PARKING

Effective immediately, all boaters will be required to display a parking permit sticker in their front car windshield. Your parking sticker will be mailed soon—if you do not receive it by October 1st, please visit the Marina Office.

You may park your car in any space in the Boater/Guest Garage that is not color-coded reserved parking.

Also, short-term Guest Parking is permitted in non-assigned parking in P2 under Buildings 3-4-5.

GANGWAY GUEST ACCESS

The Gangway intercoms are now programmed for you to allow remote guest access. Just like the intercoms at the Boater/Guest Garage, guests and vendors can call the phone number you have programmed with us to gain access. You will push "9" on your phone to open the gate.

VENDOR CHECK-IN

To ensure everyone's security, please remember that vendors are required to have authorization to enter Esprit's Marina. Please ask your vendors to check in at the Marina Office during business hours only (9am-6pm daily); if they arrive before 9am they should be prepared to wait for the office to open and show a photo ID.

GUEST SUITE RENTALS

We now offer a fully-furnished **Panorama Studio** in Building 2 at an exclusive rental rate to all our boaters. The rate is \$150 per night with a maximum stay of 7 days. Room service and housekeeping is not included, but there is a washer-dryer in the unit. Guests can enjoy all Esprit amenities during their entire stay. If you would like to reserve a guest suite, please contact Resident Services at (310) 305-3700 x2. To see a virtual tour, visit EspritMDR.com.

EXCLUSIVE OFFER

The Counter restaurants and Esprit Marina Del Rey have partnered to offer yet another privilege for all Esprit boaters and residents.

Now your "Esprit Key Chain" opens another door - show your key chain at the Marina del Rey or Santa Monica locations and receive a **complimentary starter** with your purchase of a custom built hamburger. Offer excludes the mini-burgers.

Visit 4786 Admiralty at Waterside Marina Del Rey or 2901 Ocean Park Blvd. in Santa Monica.
